

MICHAEL M. CROW

PRESIDENT, ARIZONA STATE UNIVERSITY

OFFICE OF THE PRESIDENT
300 E. UNIVERSITY DRIVE | P.O. BOX 877705 | TEMPE, ARIZONA 85287-7705
T: 480.965.8972 | F: 480.965.0865 | MICHAEL.CROW@ASU.EDU

CURRICULUM VITAE

EDUCATION

- 1985 Ph.D., Public Administration (Science and Technology Policy)
 The Maxwell School of Citizenship and Public Affairs,
 Syracuse University, Syracuse, New York
- 1977 B.A., Political Science and Environmental Studies
 Iowa State University, Ames, Iowa

LEADERSHIP AND ADMINISTRATIVE POSITIONS

- 2002– President, Arizona State University, Tempe, Arizona
- 1998–2002 Executive Vice Provost, Columbia University, New York, NY
- 1997–2002 Director, Earth Institute at Columbia University
- 1993–1998 Vice Provost of the University, Columbia University
- 1992–1993 Vice Provost for Research, Columbia University
- 1991–1992 Associate Vice Provost for Science and Engineering,
 Columbia University
- 1988–1991 Director, Institute for Physical Research and Technology,
 Iowa State University, Ames, Iowa
- 1985–1988 Assistant Director for Planning and Program Development,
 Ames Laboratory, U.S. Department of Energy, Iowa State University
- 1985–1991 Director, Office of Science Policy and Research, Iowa State University
- 1984–1985 Associate Director, Institute for Mining and Minerals Research,
 University of Kentucky, Lexington, Kentucky
- 1978–1982 Assistant Director for Program Planning, Coal Research Center,
 Southern Illinois University, Carbondale, Illinois
- 1977–1978 Program Development Coordinator, Fossil Energy Program,
 Ames Laboratory, U.S. Department of Energy, Iowa State University

ACADEMIC, RESEARCH AND SERVICE POSITIONS

- 2007– Arizona State University Foundation Leadership Chair and
Professor of Science and Technology Policy
- 2002– Professor, School of Public Affairs, College of Public Service and
Community Solutions, Arizona State University
- 1992–2002 Professor of Science and Technology Policy,
School of International and Public Affairs, Columbia University
- 1991 Institute Professor, Institute for Physical Research and Technology,
Iowa State University
- 1990–1991 Associate Professor, Department of Political Science,
Iowa State University
- 1988–1991 Associate Professor, Department of Management, Iowa State University
- 1987–1989 Research Fellow, Technology and Information Policy Program,
The Maxwell School, Syracuse University, Syracuse, New York
- 1983–1987 Senior Research Associate, Technology and Information Policy Program,
The Maxwell School, Syracuse University
- 1984–1985 Assistant Professor of Public Administration,
School of Public Administration, University of Kentucky
- 1982–1983 Research Associate, Institute for Energy Research, Syracuse University
- 1974–1977 Research Assistant, Energy and Mineral Resources, Research Institute,
Iowa State University
- 1974–1976 VISTA (Volunteers in Service to America) University Year for Action
(National Program)

RESEARCH AND TEACHING FIELDS

Knowledge enterprise design; technology management; science and technology policy; science and societal outcomes; research and development; emerging technologies; organization theory; energy policy; sustainable development

COURSES TAUGHT (1984–Present)

Science and Technology Policy and Politics (graduate/undergraduate); Technology Development and Policy (graduate); Technology Assessment (graduate); Strategic Management and Business Policy (undergraduate); Public Management (graduate/undergraduate); Bureaucratic Theory (undergraduate); Organization Theory (graduate/undergraduate); Organization Behavior (graduate)

NATIONAL SERVICE (SELECTED)

2015–2017 U.S. Department of Homeland Security Academic Advisory Council
2007–2013 National Security Higher Education Advisory Board (NSHEAB)
2010–2014 National Advisory Council on Innovation and Entrepreneurship,
U.S. Department of Commerce
1999– Chair (2006–present) and Director, In-Q-Tel, Inc., Washington, D.C.

AWARDS AND RECOGNITION (SELECTED)

2013 Carnegie Corporation of New York Academic Leadership Award
2012 Elected Fellow, American Association for the Advancement of Science
2006 Elected Fellow, National Academy of Public Administration
2005 Member, Council on Foreign Relations

HONORARY DEGREES

2018 University of Nebraska
2014 Leuphana University, Lüneberg (Germany)
2014 Clark University, Worcester, Massachusetts
2013 National Central University (Taiwan)
2013 University of Central Florida
2008 Iowa State University

BOARD MEMBERSHIPS (SELECTED)

PRIVATE

2018– Advisory Board, RIDGE-LANE Limited Partners
2010– Board of Directors, Workiva Inc., Ames, Iowa
2003–2008 Board of Directors, Aquila, Inc., Kansas City, Missouri
2000–2002 Chair and Director, Fathom Global Network, Inc., New York, NY
1991–2001 Director, Engineering Animation, Inc., Ames, Iowa
1991–1996 Director, Project Performance Corporation, Sterling, Virginia

PUBLIC

- 2015–2016 Member, Arizona State Board of Education
2003–2007 Member, Arizona State Board of Education

NOT FOR PROFIT/SERVICE

- 2014– Board of Directors, New America, Washington, D.C.
2011–2014 Chair, National LambdaRail Chairman’s Advisory Council
2011– Tucson Regional Economic Opportunities, Inc. (TREO)
2009–2011 Chair, Pacific-10 Conference (Pac-10), becoming in 2011 the Pacific-12 Conference (Pac-12)
2007–2010 Chair, American College and University Presidents Climate Commitment
2007–2009 Board of Directors, National Association of State Universities and Land-Grant Colleges (NASULGC), and Chair, Commission on Innovation, Competitiveness, and Economic Prosperity (CICEP)
2007–2009 Board of Directors, Arizona Economic Resource Organization (AERO)
2007–2012 Board of Directors, Stardust Foundation, Phoenix, Arizona
2004–2006 Advisory Board, James Martin Institute for Science and Civilization, University of Oxford (UK)
2003– 2009 Board of Directors, Arizona Technology Enterprises (AzTE)
2002–2010 Board of Directors, Translational Genomics Research Institute, Phoenix, Arizona
2002– Board of Directors, ASU Foundation for a New American University, Tempe, Arizona
2002– Board of Directors, Greater Phoenix Economic Council, Phoenix, Arizona
2002– Greater Phoenix Leadership, Phoenix, Arizona
2001–2006 Trustee, Bowdoin College, Brunswick, Maine
1996–2002 Director, Biosphere Center Inc., Tucson, Arizona
1995–1999 Director, New York Information Technology Center, New York, NY
1992–2002 Director, Audubon Science and Technology Park, New York, NY
1990–1991 Trustee, Science Center of Iowa, Des Moines, Iowa

HYBRID

- 2013– University Vice Chairman, U.S. Council on Competitiveness, Washington D.C.
2005–2013 Board of Trustees, Council for Aid to Education, New York, NY

2004–2009 Board of Trustees, Internet2, Ann Arbor, Michigan
1990–1991 Director, Kentucky Technologies Inc, Lexington, Kentucky
1990–1991 Director, Edge Technologies Inc., Des Moines, Iowa
1989–1991 Director, Ames Economic Development Commission, Ames, Iowa
1989–1991 Director, Center for Amorphous Semiconductors, Inc., Ames, Iowa

CONSULTANCIES (SELECTED)

2013–2016 Council on Global Competitiveness Enhancement of Russian Universities,
Moscow School of Management
2011–2015 Malaysian Global Science and Innovation Advisory Council
(New York Academy of Sciences)
1993–2002 U.S. Department of Commerce
1992–1994 U.S. General Accounting Office
1991–2002 Arizona State University
1991–1992 U.S. Department of State
1990–1993 U.S. Department of Energy
1990–1991 Columbia University
1990 Niagara Mohawk Power Company
1987–1988 Office of Technology Assessment, U.S. Congress
1985–1992 Consortium for Fossil Fuel Liquefaction Science
1982 Illinois High Technology Commission
1980–1983 U.S. Senate Committee on Governmental Affairs,
Subcommittee on Energy
1978–1982 U.S. Department of Energy

PUBLICATIONS AND RESEARCH (SELECTED)

BOOKS IN PROGRESS

Crow, Michael M., and William B. Dabars. *The Fifth Wave: The Evolution of the American Research University*. Baltimore: Johns Hopkins University Press, forthcoming 2018.
Bozeman, Barry, and Michael M. Crow. *Public Values-Based Institutional Design: Resetting our Outmoded Institutions for Success*. Forthcoming 2018.

BOOKS

Crow, Michael M., and William B. Dabars. *Designing the New American University*. Baltimore: Johns Hopkins University Press, 2015.

Translations into Chinese (Shanghai: Jiaotong University Press, forthcoming 2018); Korean (Seoul: Arche Press, 2017); and Russian (Moscow: Higher School of Economics, 2017)

Crow, Michael M., and Barry Bozeman. *Limited by Design: R&D Laboratories in the United States*. New York: Columbia University Press, 1998.

Crow, Michael M., Barry Bozeman, Walter Meyer, and Ralph Shangraw. *Synthetic Fuels Technology Development in the United States: A Retrospective Assessment*. New York: Praeger Press, 1988.

EDITED BOOKS

Bozeman, Barry, Michael M. Crow, and Albert N. Link, eds. *Strategic Management of Industrial R&D*. Lexington MA: Lexington Books, 1984.

Crow, Michael M., ed. *High Sulfur Coal Exports: An International Analysis*. Carbondale: Southern Illinois University Press, 1983.

- "Federal R&D Laboratories in the U.S.: Design and Structure." A report prepared for the Technology Administration, U.S. Department of Commerce, 1994.
- "New Technology Planning and Development in the U.S. and Japan." A report prepared for the U.S. Department of Commerce, 1989.

“The U.S. R&D Laboratory System: The Effect of Public and Market Influence.” A report prepared for the National Science Foundation, 1988 (with B. Bozeman).

“Synthetic Fuels Development: The Impact of the Reagan Administration.” Syracuse University Institute for Energy Research, Policy Series 82-3, December 1982.

INVITED PROFESSIONAL PRESENTATIONS AND PANELS (SELECTED)

“Next Generation Technology for National Security,” panel moderator at McCain Institute Sedona Forum, Sedona, Arizona, April 20, 2018

“Field(s) of Dreams, If We Built It, Will They Come? Using Athletics as a Research Lab Featuring adidas,” panel discussion, ASU GSV Summit, San Diego, California, April 18, 2018

“Designing a Future for the Universal Learner,” keynote address, ASU GSV Summit, San Diego, California, April 18, 2018

“Responding to Educational Needs in the Arab World,” panel discussion, ASU GSV Summit, San Diego, California, April 17, 2018

“Building a College for a Million Learners: Getting It Done in California,” discussion with Eloy Ortiz Oakley, GSV Summit, San Diego, California, April 16, 2018

“Next Generation College,” panel discussion, Reagan Institute Summit on Education, Washington, D.C., April 12, 2018

“What the Future Needs from Higher Education,” remarks at University Innovation Alliance National Summit for Student Success Innovation and Campus Transformation, Atlanta, Georgia, April 3, 2018

“Public Higher Education at a Crossroads,” panel discussion, Deloitte’s Center for Higher Education Excellence, New York, New York, March 12, 2018

“Pathways to Prosperity: The Future of Innovation in Higher Education,” plenary remarks and panel discussion, National Governor’s Association Winter Meeting, Washington, D.C., February 25, 2018

“The Role of Research Universities in Place-Based Climate Action,” panel discussion, Higher Education Climate Leadership Summit, Tempe, Arizona, February 6, 2018

“Where America Stands: The 2017 Clarion Call for Competitiveness,” panel discussion, National Council on Competitiveness Forum, Washington, D.C., December 15, 2017

“Higher Education: The Next Ten Years,” keynote address, Council of Graduate Schools 57th Annual Meeting, Scottsdale, Arizona, December 7, 2017

“Pioneers and Possibilities,” panel discussion, edX Global Forum, Whistler, Canada, December 5, 2017

“Driving Innovation in Higher Education: An American Example,” keynote address, Global Education Summit, Beijing, China, November 29, 2017

“Science, Technology, Engineering, and Math: What STEM Can Help Us Achieve,” keynote address, Transforming STEM Higher Education Conference, San Francisco, California, November 2, 2017

“Designing the New Global University,” panel discussion, PLoS Alliance, London, England, September 4, 2017

“Innovation in the Age of Disruption,” panel discussion, The New York Times Higher Ed Leaders Forum, New York, New York, June 1, 2017

Devotional, keynote address, Brigham Young University Idaho, Rexburg, Idaho, May 23, 2017

“Innovation to Impact,” panel and roundtable discussion, King Abdullah University of Science & Technology, Thuwal, Saudi Arabia, May 19, 2017

“The Future of Higher Education: The Real Innovations We Need,” keynote address, ASU GSV Summit, Salt Lake City, Utah, May 10, 2017

“Designing the Future: Innovation in Higher Education,” International Exhibition & Conference on Higher Education, Riyadh, Saudi Arabia, April 12, 2017

“Innovative Practices for a Stronger Future,” panel discussion, Association of Governing Boards National Conference on Trusteeship, Dallas, Texas, April 2, 2017

“Entrepreneurship and Innovation in Arizona,” discussion with Arizona Governor Doug Ducey, Arizona Innovation Summit, Scottsdale, Arizona,

“The New American University: The Emerging Fifth Wave,” discussion with the University of Wisconsin System Board of Regents, Madison, Wisconsin, March 9, 2017

“La Nueva Universidad Americana: 2025 y Más Allá,” discussion with University of Guadalajara Board of Rectors and General Administration Council, Guadalajara, Mexico, March 6, 2017

“Wave 5: Launching the Next Wave in Higher Education,” keynote address, EDUCAUSE Enterprise IT Summit, Phoenix, Arizona, February 28, 2017

“Designing for Resilience in American Higher Education,” keynote address, American Association of Independent Colleges and Presidents Annual Conference, Phoenix, Arizona, February 23, 2017

Tree of Life Celebration, keynote address, Jewish National Fund, Phoenix, Arizona, January 19, 2017

“Where Are They Now: A Look at America’s Next Generation Universities,” panel discussion, Washington, D.C., January 12, 2017

“Growth, Innovation, and the Future of the Arizona Economy,” keynote address, 2016 Phoenix and East Valley Economic Forum, Tempe, Arizona, December 21, 2016

“Designing the Future: Innovation in Higher Education,” keynote address, Third International Conference on Education Innovation, Mexico City, Mexico, December 14, 2016

“Designing for the Future: Innovation in Higher Education,” keynote address, Education Speaker Series, Al Ghurair Foundation for Education, Dubai, United Arab Emirates, November 21, 2016

“Wave 5: The University of the Future,” keynote address, Education Commission Speaker Series, Georgia Institute of Technology, Atlanta, Georgia, November 9, 2016

“Designing the New American University,” panel discussion, American Society for Public Administration, Washington, D.C., October 4, 2016

“Wave 5: Launching the Next Wave in Higher Education,” keynote address, Washington Higher Education Secretariat, Washington, D.C., October 4, 2016

“Teaching for the 21st Century,” panel discussion, *Times Higher Education* World Academic Summit, Berkeley, California, September 28, 2016

“Innovating Academia: Priorities for 21st Century Higher Education,” discussion with Tom Brokaw, Concordia Summit, New York, New York, September 19, 2016

Drexel University Convocation, keynote address, Philadelphia, Pennsylvania, September 16, 2016

“Reflections on the Outputs of the Research University,” panel discussion, SciSIP Conference, National Academies of Sciences, Davis, California, June 6, 2016

U.S. News and World Report STEM Solutions National Leadership Conference, panel discussion, Baltimore, Maryland, May 18, 2016

“Progress Report: Education Leaders Sound Off,” panel discussion, Milken Institute Global Conference, Beverly Hills, California, May 2, 2016

“Wave 5: Launching the Next Wave in Higher Education,” keynote address, Chautauqua Weekend, St. John’s Health Center Foundation, Ojai, California, April 30, 2016

“Wave 5: Launching the Next Wave in Higher Education,” keynote address, ASU GSV Summit, San Diego, California, April 20, 2016

VISTA Panel on Innovation, Thought Leadership and the Role of the Higher Learning Commission, panel discussion, Higher Learning Commission Annual Conference, Chicago, Illinois, April 16, 2016

“Designing the Research University of the Future,” panel discussion, The National Academy of Sciences Committee on Science, Technology and Law, Newport Beach, California, March 10, 2016

“Launching the Next Wave in Higher Education,” keynote address, SXSW Edu, Austin, Texas, March 7, 2016

“The Humanities in Higher Education: Disruption and Innovation in Higher Education – The Future of Arts and Design,” keynote address, 3 Million Stories Conference, Strategic Arts Alumni Project, Tempe, Arizona, March 4, 2016

“Access & Excellence: Bridging the Growing Digital Divide in Higher Education” panel discussion, Opportunity America Conference, Washington, D.C., January 15, 2015

“The Entrepreneurial Mindset in Higher Education,” keynote address, KEEN Conference, Kern Entrepreneurial Engineering Network, Phoenix, Arizona, January 11, 2016

“Competitiveness is Innovation,” remarks at National Competitiveness Forum, Washington, D.C., December 4, 2015

The White House College Opportunity Day of Action, panel discussion, Washington, D.C., December 4, 2015

“Science, Technology, Engineering and Math: What STEM Can Help us Achieve,” keynote address, Erich D. Bloch Lecture, Science Foundation Arizona, Tempe, Arizona, December 1, 2015

“The Impact of Latino Student Success,” keynote address, DATOS: The State of Arizona’s Hispanic Market, Arizona Hispanic Chamber of Commerce, Phoenix, Arizona, September 23, 2015

“Low Income/High Potential,” panel speaker, *New York Times* Schools for Tomorrow Conference, New York, NY, September 16, 2015

“Restarting Opportunity in the Connected Age,” panel discussion, The Aspen Institute, Aspen, Colorado, June 29, 2015

“The Cost of Higher Education: Four Years Out of Pocket,” *Economist* interview, June 22, 2015

“The Future is Calling and Universities Better Figure Out How To Answer,” panel discussion with California Lt. Governor Gavin Newsom, Zócalo Public Square, Sacramento, California, May 19, 2015

“Academic Engagement in Public and Political Discourse,” panel discussion, 2015 Michigan Meeting, University of Michigan, Ann Arbor, May 13-15, 2015

“Reinventing Higher Education,” *Economist* roundtable, May 5, 2015

“Arizona’s Economic Imperative: Leading the Nation in Latino Student Success,” keynote address, Helios Education Foundation, Phoenix, Arizona, April 30, 2015

“How Do We Design the University We Want and Need?” keynote address, Concordia University, Montreal, Canada, April 28, 2015

Interview with Mitch Daniels, former Indiana State Governor and Purdue University President, ASU GSV Summit, Scottsdale, Arizona, April 9, 2016

“Awareness and Action to Create a Sustainable Economy,” keynote address, Sustainability Summit, City University of Hong Kong, October 23, 2014

“The New Role of Business in Shaping the Future of Education,” panel discussion, Hinrich Foundation and Asia Society, Hong Kong, China, October 21, 2014

“Science and Higher Education Policy,” keynote address, Center for Technology and Innovation Policy (CTIP), Maxwell School of Citizenship and Public Affairs, Syracuse University, November 17, 2014

“Manufacturing Technology Game Changers,” panel moderator at American Energy and Manufacturing Competitiveness Forum, Council on Competitiveness, Washington, D.C., September 17, 2014.

Victor Hurst Convocation, keynote address, Clemson University, Clemson, South Carolina, August 19, 2014

“The Future of the American Research University,” keynote address, Symposium on the Future of Higher Education, University of California, Riverside, May 9, 2014

“Culture Change in Educational Innovation,” keynote address, Arizona State University and Global Silicon Valley (GSV) Summit, Phoenix, Arizona, April 22, 2014

“Leadership for the Innovative University,” panel discussion, Georgetown University, March 28, 2014

Insights from the Presidential Innovation Lab, panel discussion, American Council on Education, 96th Annual Meeting, San Diego, California, March 9, 2014

“Adaptive Learning and National Need,” keynote address, Markle Economic Future Initiative, Markle Foundation, Ossining, New York, March 1, 2014

“Universities as Partners in Global Development,” keynote address, World Bank, Washington, D.C., February 10, 2014

“The Future of Higher Education,” panel discussion, The National Competitiveness Forum, The U.S. Council on Competitiveness, Washington, D.C., October 30, 2013

“The Arizona Story – New Business Model,” American Association of State Colleges and Universities Annual Meeting, Los Angeles, California, October 22, 2013

“Digital in Higher Education: Lessons from the Leading Edge,” panel discussion, McKinsey & Company Boards of Higher Education Summit, San Francisco, California, October 18, 2013

“Reinvention,” panel discussion, *TIME* Summit on the Future of Higher Education, New York, New York, September 20, 2013

“The Changing Nature of Leadership,” panel discussion, The Markle Initiative: America’s Economic Future in a Networked World, Aspen, Colorado, July 29, 2013

“Complexity and Interdisciplinary: Reconceptualizing the Academic Enterprise,” remarks to the Santa Fe Institute, Santa Fe, New Mexico, July 21, 2013

“The Next American University: Research, Faculty and Forging Partnerships,” panel discussion, The New America Foundation, Washington, D.C., May 21, 2013

New York Times Higher Education Panel, New America Foundation, Washington, D.C., May 18, 2013

“The World Wide Ed – Global is the New Local,” ASU GSV Summit, Scottsdale, Arizona, April 17, 2013

“Building a Complex Adaptive Knowledge Enterprise: The Case of ASU as the New American University,” presentation at Mayo Clinic Center for Innovation, Mayo Clinic, Rochester, Minnesota, March, 19, 2013

“How to Make It Work in Real Time and in Real Life: Building Interdisciplinary Programs,” remarks at Planning Meeting on Interdisciplinary Science Teams, Board on Behavioral, Cognitive, and Sensory Sciences, Division of Behavioral and Social Sciences and Education, National Research Council, National Academy of Sciences, Washington, D.C., January 11, 2013

“Designing a True Public University for the Future,” Council of Graduate Schools Annual Conference, December 8, 2012

“Innovation in the Biosciences and Economic Development in Arizona,” Tenth Anniversary Celebration of Arizona’s Bioscience Roadmap, Flinn Foundation, Phoenix, Arizona, December 4, 2012

“A Watershed Moment: Will U.S. College and Universities Lead or Lag in Education and Innovation?” panel discussion, The National Press Club, Washington, D.C., November 14, 2012

Time Summit on Higher Education, panel discussion, New York City, October 18, 2012

“Bringing Genomics and Informatics to the Practice of Medicine to Improve the Diagnosis and Treatment of Cancer,” panel moderator, Washington, D.C., October 3, 2012

“Precipice or Crossroads: A Symposium on the Future of Public Research Universities,” panel discussion on “Costs, Strategic Resource Investment, Finance, and Governance,” University of Vermont, October 10–12, 2012

“Opportunities and Challenges for Research Universities,” panel discussion, A Celebration of Science: Renewing our Commitment to the Future, George Washington University, Washington, D.C., September 9, 2012

“The Science of Science Communication,” panel discussion at the Arthur M. Sackler Colloquium, National Academy of Sciences, Washington, D.C., May 21, 2012

“Massive Change,” League of European Research Universities, Barcelona, Spain, May 11, 2012

“Innovation for Sustainability,” American Innovation for Sustainability Summit, U.S. Environmental Protection Agency and Arizona State University, Washington, D.C., April 22, 2012

“The New American University,” “Academic Leadership in the West: Harnessing the Power of Disruptive Innovation,” Western Academic Leadership Forum (WALF), Phoenix, Arizona, April 18, 2012

“The New American University and Its Global Challenges,” keynote address, “Giving Meaning to Interdisciplinarity in the Organization of Universities: A Symposium on the Occasion of Helmut Schelsky’s 100th Birthday,” Zentrum für interdisziplinäre Forschung (ZiF) (Center for Interdisciplinary Research), Universität Bielefeld, Bielefeld, Germany, April 12, 2012

“Building International Education Networks and Exchanges: The Value of Global Education,” panel discussion, United States Department of Commerce, Washington, D.C., March 13, 2012

“Massive Change,” 2012 Robert H. Atwell Lecture, 94th Annual Meeting, American Council on Education, Los Angeles, March 11, 2012

American College & University Presidents Climate Commitment, president’s panel discussion, Phoenix, Arizona, March 2, 2012

“The New U: New Solutions, New Futures,” keynote address, TEDxAshokaU, Arlington, Virginia, February 10, 2012

“Innovation in Higher Education,” 27th Annual Emerging Issues Forum: “Investing in Generation Z,” North Carolina State University, February 6, 2012

“Solve for X with U,” keynote address, Google X, San Martin, California, February 3, 2012

“The New American University,” University Speaker Series, Georgia State University, January 27, 2012

Berlin 9 Open Access Conference, panel discussion on “Open Education: Linking Learning and Research through Open Access,” Howard Hughes Medical Institute, Chevy Chase, Maryland, November 10, 2011

Compass Summit 2011, panel discussion on social innovation and technology, Palos Verdes, California, October 23, 2011

“Toward a New American University,” “The Future of State Universities: The Next Ten Years,” Dallas, Texas, October 6, 2011

“America’s Public Universities: The Front Line to America’s Economic Recovery and Competitiveness,” Graduate College Distinguished Lecture, University of Illinois at Urbana-Champaign, October 5, 2011

“Universities and Transdisciplinary Education for Sustainability,” University Corporation for Atmospheric Research, Boulder, Colorado, October 4, 2011

“Your Future: Arizona’s Sun Corridor,” keynote address, Tucson Regional Economic Opportunities, Tucson, Arizona, September 30, 2011

National Institute of Standards and Technology Innovation Policy Roundtable, Phoenix, Arizona, August 3, 2011

“The Humanities Under Threat?” Panel discussion at the conference “Threats to Universities, Humanities, and Sciences,” British Academy, London, July 20, 2011

“Reinventing the University,” Forum for the Future of Higher Education 2011 Aspen Symposium, Aspen, Colorado, June 7, 2011

“Inside Faith and Globalisation,” Tec de Monterrey Conference, Monterrey, Mexico, February 15, 2011

“Can Technology Policy be Democratic?” panel discussion, New America Foundation/ASU Future Tense, Washington, D.C., February 3, 2011

“Designing a University for America’s Complex Future,” Harvard University Program on Science, Technology, and Society, Harvard Kennedy School, November 30, 2010

“Reimagining Public Higher Education,” panel discussion, Summit on Public Higher Education, New York, New York, November 10, 2011

ARPA-E/ASU Southwest Energy Innovation Forum, panel discussion, Phoenix Arizona, October 18, 2010

“Educating Students for the 21st Century Business Climate,” panel discussion, American College & University Presidents Climate Commitment, Denver, Colorado, October 13, 2010

“Building a University for Someone Other Than Ourselves: Designing Transdisciplinary Programs for Students, Faculties, and Challenges,” University of Idaho Conference on Enhancing Communication in Cross-Disciplinary Research, Coeur d’Alene, Idaho, October 1, 2010

“Smart Places: How do we foster creativity and innovation in a world of rapid urbanization,” panel discussion, Council on Competitiveness 2nd US-Brazil Innovation Summit, Washington D.C., September 21, 2010

“Citizenship and Pathways for a Green Economy,” panel discussion, US Department of Education Sustainability Education Summit, Washington D.C., September 20, 2010

“Reconceptualizing Universities as Knowledge Enterprises: Toward Innovation, Differentiation, and Adaptation,” Arizona State University/Dublin City University Summit on Reinventing the University, Dublin, Ireland, June 16, 2010

“Getting back in the race: Fixing American Education,” panel discussion, The National Press Club, Washington, D.C., June 4, 2010

“Getting In and Staying In: The next frontiers of college access, affordability and value,” panel discussion, The Newseum, Washington, D.C., May 22, 2010

“Engineering in the Service of the Nation,” National Academy of Engineering Phoenix Grand Challenges Summit, Arizona State University, Arizona Biltmore, April 8, 2010

ASU 1st Energy Forum, The National Press Club, Washington, D.C., April 1, 2010

“Toward Entrepreneurial Universities,” Entrepreneurial University Leadership Programme, Saïd School of Business, University of Oxford, February 3, 2010

“Toward Institutional Innovation in America’s Colleges and Universities,” Association of Governing Boards (ABG) Foundation Leadership Forum, Arizona Biltmore, January 25, 2010

“The New Green Economy: How can we get there from here?” panel discussion, 10th National Conference on Science, Policy and the Environment, Washington, D.C., January 21, 2010

“The Experience of Member Universities Handling Budgets,” panel discussion, APLU Council of Presidents, Washington, D.C., November 16, 2009

GreenBuild Executive Roundtable, Phoenix, Arizona, November 11, 2009

“Smart Leadership in Difficult Times,” panel discussion, TIAA-CREF Institute: Higher Education Leadership Conference, New York, New York, November 5, 2009

“Mobilizing a World-Class Energy Workforce,” a panel discussion at the National Energy Summit and International Dialogue, Council on Competitiveness, Washington, D.C., September 23, 2009

“Funding Climate Action and Other Higher Education Sustainability Efforts,” panel discussion, ACUPCC Climate Leadership Summit, Chicago, Illinois, August 14, 2009

“The University of the Future and Sustainable Development,” Institut des Hautes Études pour la Science et la Technologie (IHEST): “Vers une Nouvelle Université,” Collège des Bernardins, Paris, France, June 24, 2009

“The Research University as Comprehensive Knowledge Enterprise: The Reconceptualization of Arizona State University as a Prototype for a New American University,” Seventh Glion Colloquium: “The Role of the Research University in an Innovation-Driven Global Society,” Montreux, Switzerland, June 23, 2009

“Innovative Ways the U.S. Can Maximize Returns on Full Global Engagement: The Perspective of American Research Universities,” National Academies Government-University-Industry Research Roundtable: “Maximizing U.S. Returns on Shared Knowledge: Innovative Frameworks for Technology Transfer and Full Global Engagement,” National Academies Keck Center, Washington, D.C., June 3, 2009

“Arizona Innovation Clusters,” National Academies Board on Science, Technology, and Economic Policy (STEP) and Center for American Progress Symposium: “Growing Innovation Clusters for American Prosperity,” National Academy of Sciences, Washington, D.C., June 3, 2009

“Rebuilding Arizona’s Economy,” panel discussion, Greater Phoenix Economic Council Town Hall, Phoenix, Arizona, May 18, 2009

- “A Matter of Excellence and Access: Economic Mobility and Higher Education,” Milken Institute Global Conference, Los Angeles, California, April 27, 2009
- “Energy Discovery-Innovation Institutes: A Step Toward Energy Sustainability,” a roundtable discussion with James Duderstadt, president emeritus, University of Michigan, and E. Gordon Gee, president, Ohio State University, “Toward New Paradigms for U.S. Energy Research,” Brookings Institution, Washington, D.C., February 9, 2009
- “The Challenges of Globalization and the New Role of Universities in the Hemisphere,” a panel discussion between Michael M. Crow and Rafael Rangel Sostmann, rector, Instituto Tecnológico y de Estudios Superiores de Monterrey and Raúl Bao García, president, Universidad San Martín de Porres, Thirty-Third Lecture of the Americas, Organization of American States, Washington, D.C., February 4, 2009
- “Arizona is Poised to Become the Global Leader in Solar Energy,” Arizona Leadership Summit on Solar Energy and Economics, Arizona State University, Phoenix, Arizona, January 9, 2009
- “Hope, Change, and Affirmation: New Values to Guide Institutional Innovation in American Higher Education,” College Board, Houston, Texas, November 6, 2008
- “Toward Sustainable Development.” Arizona State University Sustainability Summit, Washington, D.C., September 17, 2008
- “The New American University and the Spirit of Academic Enterprise: Redefining Excellence, Access, and Impact for Public Higher Education,” Ministère de l’Enseignement Supérieur et de la Recherche, Paris, France, June 24, 2008
- “Building an Entrepreneurial University,” Third Annual Ewing Marion Kauffman Foundation-Max Planck Institute Summit on Entrepreneurship Research and Policy, Bavaria, Germany, June 8-11, 2008
- “Leadership Now for Climate Neutrality,” a presidential panel discussion, ACUPCC Leadership Summit, Grand Rapids, Michigan, June 6, 2008
- “The University at a Crossroads: How Higher Education Can Meet the Demand of Today’s Entrepreneurial Community,” Milken Institute Global Conference, Santa Monica, California, April 28, 2008
- “Sustainability as an Interface Problem,” Annual Science Board, Santa Fe Institute, Santa Fe, New Mexico, April 12, 2008
- “Opportunities and Limits in the Creation of Useful Knowledge For Sustainable Development,” Eighth Annual Sackler Colloquium, Arthur M. Sackler Colloquia of the National Academy of Sciences, Washington, D.C., April 3, 2008
- Science and Technology Policy Fellows Seminar, American Association for the Advancement of Science (AAAS), National Science Foundation, Washington, D.C., April 3, 2008

- "The Death of the Public University and Why it is Time for a New Model," Center for the American University at the Manhattan Institute for Policy Research, New York City, February 6, 2008
- "Solutions: Engaging Communities Large and Small," panel discussion, National Conference on Science, Policy and the Environment, "Climate Change: Science and Solutions," Washington, D.C., January 17, 2008
