**Mission & Goals**

Demonstrate **leadership** in enabling academic excellence and accessibility at scale
- Maintain the fundamental principle of accessibility to all students qualified to study at a research university.
- Maintain university accessibility to match Arizona’s socioeconomic diversity, with undifferentiated outcomes for success.
- Ensure that **more than 90%** of students continue studies beyond their first year.
- Enhance the university graduation rate to **greater than 85%** and more than 40,000 graduates.
- Continuously enhance quality while maintaining affordability.
- Overcome geographic and financial barriers to education by enrolling **140,000** online degree-seeking students.
- Continuously increase measured student development and learning outcomes.
- Engage learners of all socioeconomic, geographic and demographic backgrounds.

Expand ASU’s role as the **leading global center** for interdisciplinary research, discovery and development by 2027
- Become the leading American center for discovery and scholarship in the integrated social sciences and comprehensive arts and sciences.
- Enhance research competitiveness to more than **$1 billion** in annual research expenditures.
- Drive regional economic competitiveness through research, discovery and socioeconomically integrated programs.
- Serve as a leading American center for innovation and entrepreneurship.

Establish **national standing** in academic quality and impact of colleges and schools in every field
- Advance and maintain national standing in academic quality for each college and school.
- Attain national standing in learning and post-graduation outcomes for students in all colleges and schools.
- Become the leading university academically (faculty, discovery, research, creativity) in at least one department or school within each college and school.

Enhance our **local impact** and **social embeddedness**
- Leverage ASU’s comprehensive knowledge enterprise to strengthen Arizona’s interactive network of teaching, learning and discovery resources.
- Co-develop solutions to the critical social, technical, cultural and environmental issues facing 21st-century Arizona, ensuring sustainability and resilience.
- Meet the needs of 21st-century Universal Learners through personalized learning pathways that promote adaptability to emergent social and technological changes.
